# Class Descriptions

## **PRE-PRIMARY (AGE 2-3)**

This 30 min introductory class is designed to develop rhythm, musicality, posture, flexibility, discipline, balance, and coordination. Students will learn the basic concepts of ballet and tumbling through play, creative movement, and imagination. Children will enjoy a mix of structured exercises and free expression, helping to develop their listening skills, focus, and confidence. Using engaging songs and fun activities, students will learn basic dance concepts while fostering a love for movement in a positive and supportive environment. Perfect for young dancers to begin their journey in the world of dance!

## **PRIMARY (AGES 4-5)**

This 45-minute class is designed to enhance rhythm, musicality, flexibility, coordination, balance, and posture, while introducing basic dance technique. Dancers will also learn foundational steps and terminology in a creative and positive environment. The use of fun, age-appropriate music engages young dancers' minds and bodies, fostering focus, imagination, and joy in movement. This class builds confidence and classroom readiness, laying the foundation for continued success in higher levels of training.

## **LEVEL 1 (AGES 6-8)**

This one hour class improves on basic technique students have learned in the primary level with a greater focus on refining technique, flexibility, coordination, and musicality. Dancers will learn the more advanced steps while learning how to follow direction and imitate movement in a positive environment. This program includes more detailed movements, positions, and combinations, with an emphasis on proper alignment, body control, and rhythm. Through structured exercises, choreography, and creative exploration, children will develop discipline, focus, and confidence in their dancing. With a balance of technique and fun, Level 1 provides a solid foundation for young dancers to progress in their skills and further their love for movement in a supportive and energetic environment.

## **LEVEL 2 (INTERMEDIATE)**

This intermediate level is designed for dancers who are ready to further refine their dance technique and explore more complex movements. Students will focus on improving their strength, flexibility, and coordination while deepening their understanding of dance vocabulary and concepts. Individual feedback and corrections are provided to help each dancer reach their technical and artistic potential, while also fostering an environment of growth, discipline, and creativity.

## **LEVEL 3 (ADVANCED)**

This advanced level is designed for experienced dancers seeking to push their technical abilities and artistry to a higher level. With personalized corrections and a focus on pushing boundaries, this level is for dancers who are committed to mastering the full range of dance technique and expanding their artistic expression.

## **ADULT**

These classes are designed for adults of all experience levels who are looking to grow as dancers in a welcoming environment. Whether your goal is to build technique, stay active, or simply rediscover the joy of dance, our classes encourage confidence, artistry, and a lifelong love of movement.
